20745 US Route 6  
Warren, PA 16365  
Phone: (814) 723-3500

# 2024 Construction Program

Thank you for your interest in the Pennsylvania Department of Transportation (PennDOT) District 1 Construction Program for 2024.

District 1 is responsible for the state-maintained transportation network in the northwest region of Pennsylvania. This network includes nearly 4,000 miles of roadway and more than 2,000 bridges in Crawford, Erie, Forest, Mercer, Venango, and Warren counties.

This publication is intended to provide a general overview of projects currently under construction and those scheduled to be awarded or begin construction in 2024.

The 2024 Construction Book is divided into seven sections that represent the six counties in District 1, as well as a section for Districtwide projects.

The projects listed include award dates, expected completion dates, project descriptions, project locations, costs, and maintenance of traffic. The listed estimated cost for a project is for the construction phase only of the project.

County maps showing the location of all current and upcoming construction projects are included for reference.

For your reference:

- Bridge Projects are **blue** points or **blue** lines
- Highway Projects are **red** points or **red** lines
- Local Projects are **green** points or **green** lines

Please keep this book on hand throughout the upcoming construction season.

***Note: All information is correct as of the distribution date of this booklet. Listed costs reflect the construction contract amount, unless otherwise noted with (est.). Let dates are subject to change.***

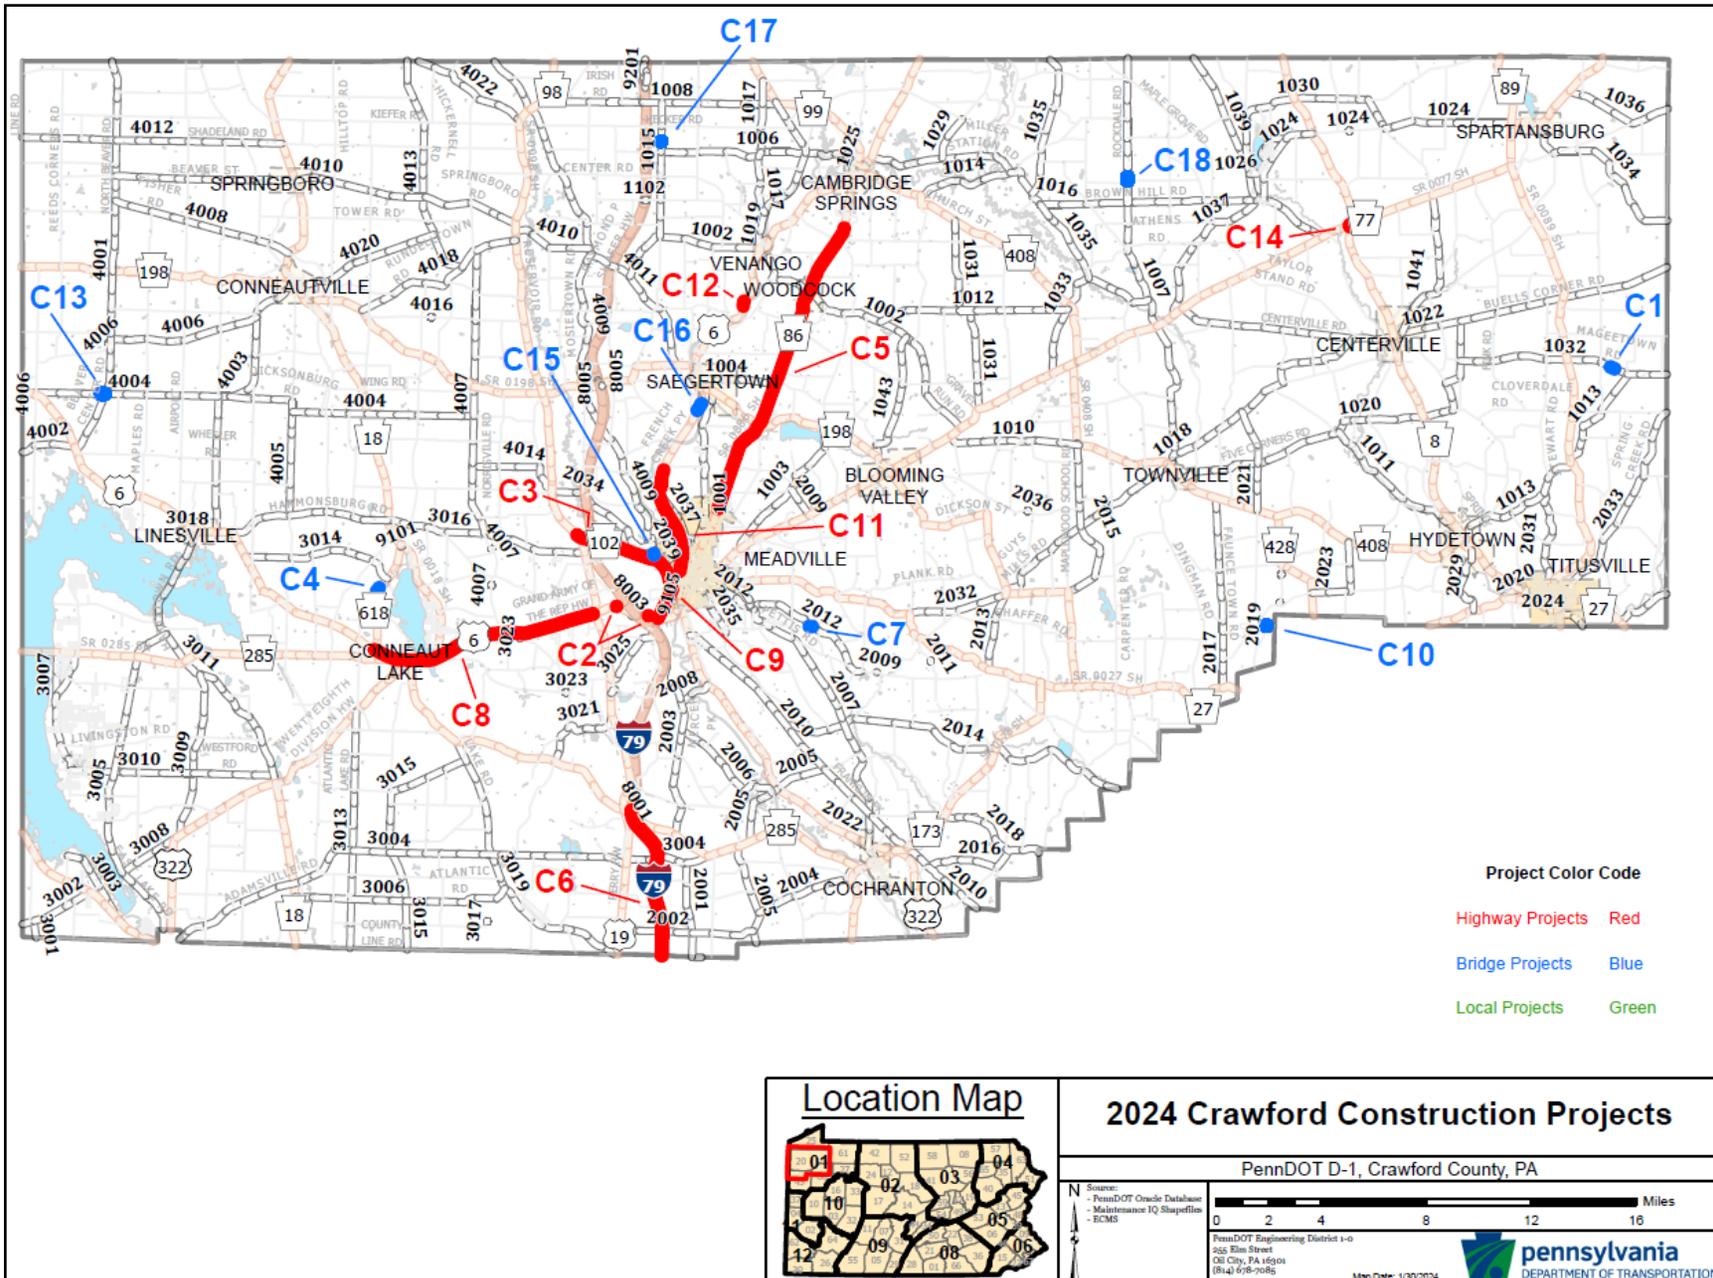

***Date of Publication: May 1, 2024***

# 2023 Program vs. 2024 Program

2023 Results	2024 Projections
<p style="text-align: center;"><u>104 Projects</u></p> <p style="text-align: center;">22 Highway 22 Bridge 16 Safety 7 Local</p> <p style="text-align: center;">67 Committed Projects 37 Carryover Projects</p>	<p style="text-align: center;"><u>115 Projects</u></p> <p style="text-align: center;">23 Highway 27 Bridge 15 Safety 16 Local</p> <p style="text-align: center;">81 Committed Projects 34 Carryover Projects</p>

**\*A Carryover Project is defined as a project with a start date and award date in a previous year. These projects may have had physical work that happened in a prior construction season or were awarded to a contractor in a previous year with physical work starting in 2024.**

<b>Contractor:</b>	IA Construction Corporation	Lindy Paving, Inc.	Thomas Construction, Inc.
<b>PennDOT Contact:</b>	Chad Tarr	Brian Heeter	Tim Beach
<b>Project Description:</b>	This project includes 8.89 miles of resurfacing on Main Street (Route 886) from Oak Street to Henry Road in the City of Meadville, Woodcock Borough, Cambridge Township, West Mead Township, and Woodcock Township.	This project includes 9.68 miles of restoration on Interstate 79 from the Mercer County line to the Geneva Swamp Bridges in Greenwood and Union townships.	This project includes the rehabilitation of the (Route 2012) Bridge over Hunter Run in East Mead Township.  Work will consist of removing and replacing the bridge beams, deck and barriers along with streambed paving for erosion protection. Minimal new pavement adjacent to the structure will also be included.  PennDOT Crawford County Maintenance will be fabricating the beams for this project.  The bridge is 33 feet long and was built in 1954. It is in poor condition.
<b>Traffic Impact:</b>	A minimum of one lane of traffic will be maintained using flaggers.  For traffic information check <a href="http://www.511PA.com">www.511PA.com</a> . <b>Contract cost:</b>	\$4,453,413.21	\$571,142.00	\$2,868,250.00
<b>Contractor:</b>	Joseph McCormick Construction Company, Inc.	M & B Services, LLC	Joseph McCormick Construction Company, Inc.
<b>PennDOT Contact:</b>	Del Mizban	Rebecca Olesnanik	Dani Dylon
<b>Project Description:</b>	<p>This project is on the Bayfront Parkway (Route 4034) between Port Access Road and East 12th Street in the City of Erie.</p> <p>This project includes proposed improvements of raised medians to promote traffic calming and lower travel speeds, crosswalks through the median islands, countdown pedestrian signals, and possible pedestrian-only phases.</p> <p>The lane widths will be reduced by a foot each and a micro-surface will be applied to the pavement.</p> <p>Five intersections will be updated with advance radar detection, LED signal heads, and phasing will be retimed and coordinated.</p>	<p>This project includes the installation of a traffic signal with accessible pedestrian signals at the intersection of the Bayfront Parkway (Route 4034) and Cranberry Street (locally owned) in the City of Erie.</p> <p>This project is the number one ranked 2050 Long-Range Transportation Plan project.</p>	<p>This is an intersection improvement, congestion reduction, and safety improvements project located on W. Plum and E. Plum Streets (Route 6N) and Erie Street (Route 99N) in Edinboro Borough, Erie County. The scope of work is to improve the corner radii to the northbound lanes on Route 99 shifting the traffic on Route 99 east and removing the northbound right turn lane.</p> <p>The eastbound and westbound turn lanes will be realigned to be across from each other which will increase the width of the through lanes improving travel. To accommodate pedestrians signals and ADA compliant curb ramps will be placed at all crossings.</p>
<b>Traffic Impact:</b>	<p>A minimum of one lane of traffic will be maintained using flaggers.</p> <p>Daylight traffic control only.</p> <p>Access to drives will be maintained.</p> <p>For traffic information check <a href="http://www.511PA.com">www.511PA.com</a>.</p>	<p>Any traffic interruptions will be maintained by flaggers.</p> <p>For traffic information check <a href="http://www.511PA.com">www.511PA.com</a>.</p>	<p>A minimum of one lane of traffic will be maintained using flaggers.</p> <p>For traffic information check <a href="http://www.511PA.com">www.511PA.com</a>.</p>

<b>Contractor:</b>	Commercial Asphalt Supply Inc. DBA Shields Asphalt Paving, Inc.	IA Construction Corporation	Swank Construction Company, LLC
<b>PennDOT Contact:</b>	Michele Morningstar, P.E.	Christine Boyer-Krantz	Daniel Staub, P.E.
<b>Project Description:</b>	This project includes 8.71 miles of resurfacing on Georgetown Road (Route 3026) from the Mercer County line to Route 62 in French Creek Township and Route 208 from the Mercer County line to Route 8 in Irwin Township.	This local project includes the resurfacing of 1.09 miles on eight roads (Wintergreen Drive, Lincoln Street, Madison Street, Pinoak Drive, Taylor Street, Washington Street, Woodland Drive) through the Local Federal Aid Route project in the Northwest Regional Planning Organization in 2023-2024 in the City of Franklin.	This project includes bridge preservation activities on the two structures carrying Georgetown Road (State Route 3003) over Interstate 80 Eastbound and Westbound in Irwin Township.  Work will consist of resurfacing the existing bridge deck and other minor structure repairs. Minimal new pavement adjacent to the bridges will also be included.  The bridge over I-80 EB is 124 feet long and was built in 1965. It is in fair condition.  The bridge over I-80 WB is 126 feet long and was built in 1965. It is in fair condition.
<b>Traffic Impact:</b>	A minimum of one lane of traffic will be maintained using flaggers.  Access to drives will be maintained  For traffic information check <a href="http://www.511PA.com">www.511PA.com</a> .	A minimum of one lane of traffic will be maintained using flaggers.
